

Evidence-based practice increases healthcare quality and safety, decreases costs and empowers clinicians to be freely engaged and excited when they come to work every single day.

Making evidence-based practice a reality in your organization

“EBP is the problem-solving approach that integrates the conscientious use of best evidence, clinician expertise and patient preferences to make decisions.”

—Lynn Gallagher-Ford

2020 Columbus, OH, in-person programs: September 21-25 | December 7-11

Check website for more dates as available. Virtual immersions can be scheduled to meet your needs.

Contact us for more information.

This workshop provides a “deep dive” immersion into evidence-based practice. Participants learn the step-by-step EBP process as well as effective strategies for implementing EBP in clinical or academic organizations of any size or level of complexity. Participants will develop an action plan for implementing and sustaining EBP changes and transforming organizational culture. Internationally renowned EBP experts and mentors work in small groups with participants to ensure individualized attention and success.

Benefits include:

- 40 contact hours of nursing continuing education
- Opportunity to network with EBP practitioners, leaders and educators from around the world
- Lifetime access to monthly EBP webinars and other resources

Visit **fuld.nursing.osu.edu** to register. For more information, contact Kristen Nelson, at Nelson.809@osu.edu or 614-292-4843.

| Day 1 | Day 2 | Day 3 | Day 4 | Day 5 |
|--|--|--|---|-------------------------------|
| Overview of EBP Organizational assessment Developing PICOT questions | Search strategies Critical appraisal Synthesis of evidence | Evidence-based decision making Measuring outcomes | Implementing EBP: academic, mentor and leader roles | Disseminating and recognition |

OUR WORKSHOPS

Choose to attend an **immersion in Columbus, Ohio**, at the Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare, or let us customize an on-site immersion for you at your institution. Registration fee for Columbus: \$2,100, with discounts for groups of three or more.

Customized on-site immersions are tailored to meet your organization's specific needs. Our staff of EBP experts will travel to you or connect virtually with our team via live stream. We have created specialized on-site immersions for a variety of healthcare organizations. Fees vary per person based on program scope and design. Contact Kristen Nelson at Nelson.809@osu.edu or 614-292-4843 to discuss your needs.
