Overcoming Barriers to Implementing and Sustaining EBP in Clinical Settings:

An intensive workshop to apply evidence-based practice strategies that work!

Join our EBP experts as we explore a systematic approach and hands on application for implementation of evidence-based practice in clinical settings.

**Lynn Gallagher-Ford**
PhD, RN, EBP-C, NE-BC, DPFNAP, FAAN

**Penelope Gorsuch**
DNP, RN, NEA-BC, EBP-C, FACHE

**Molly McNett**
PhD, RN, CNRN, FNCS, FAAN

**Sharon Tucker**
PhD, APRN-CNS, NC-BC, EBP-C, FNAP, FAAN

Topics include:

- An introduction to the field of implementation science
- Implementation science strategies and application for EBP in healthcare settings
- Evaluation and sustainability
- Dissemination and recognition

Attendees are encouraged to bring specific evidence-based initiatives for application of content to current clinical scenarios and individual consultation.

**WHEN:**
Tuesday, March 24, 2020
12:30-5 p.m.
