EBP HQ RESOURCES

This page will delve a little deeper into what resources are currently available within the EBP HQ and how to navigate to them.

First, as a refresher, the navigation bar after logging in should look like this:

```
ABOUT +  OFFERINGS +  SUMMIT +  EBP CERTIFICATE +  CONTACT  EBP HQ +  EBP HQ RESOURCES +
```

Selecting EBP HQ RESOURCES will open a drop-down box with the following options. *

```

* Depending on your membership type (immersion attendee – individual/organizational, or non-immersion attendee annual membership) you may not have access to all of the available options.

USER DASHBOARD

You can access the user dashboard from the Resources menu or from the GEAR Icon in the top right of the page.

* All asterisked resources are only available to the Fuld Institute for EBP 5-day EBP Immersion attendees
MOODLE*

The Moodle page will provide access to the link for the five-day EBP Immersion Course Website. This resource is only available to an immersion attendee.

PICOT HELP DESK

The PICOT Help Desk will allow you to generate a PICOT question and submit it for review by Fuld EBP faculty.
PICOT NETWORKING HUB*

Selecting “PICOT Networking Hub” option will bring you to this page, you can connect with peers from the EBP immersion workshop who are working on different EBP projects that may be of interest to you.

(Refer to “Using the PICOT Hub” handout for additional information on how to efficiently use the PICOT networking hub)

WEBINARS

Recorded Webinars will give you access to our archive of previous webinars on a multitude of EBP topics. Register for Upcoming Webinars* will allow immersion members to register for new and upcoming webinars.

* All asterisked resources are only available to the Fuld Institute for EBP 5-day EBP Immersion attendees
EBP TOOLKIT

The EBP Toolkit section digitizes the Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare’s EBP process and helps you walk through the steps from Clinical Inquiry to Recommendation for Practice Change. You can fill out your Rapid Critical Appraisal (RCA) forms, build evaluation and synthesis tables and use this as a repository for all your projects. You can even find downloadable versions of the forms for all of your offline work.

Refer to the specific EBP Toolkit documentation and videos for more detailed help.
EBSCO RESOURCES

The options under EBSCO Resources (DynaMed, Nursing Reference Center, and EBSCO Tutorials) will give you access to EBSCO search resources and help documents to help you locate evidence-based information to support clinical decision making at the point of care. You must access DynaMed after logging into the EBP HQ to receive this benefit.

LIBRARY RESOURCES

The options under Library Resources will grant you access to various options for extended research. Handy links to the National Library of Medicine, PubMed, or the Health Science Library at OSU*.

*If you are within one year of completing the five-day EBP immersion program, you can sign in to the HSL by clicking the off-campus option and using your OSU ID & password and access relevant journals and databases.
HELP

Our help section serves as an easy to access repository of documentation to help answer your questions about using the EBP HQ.
