

Evidence-based Practice Certification

THE OHIO STATE UNIVERSITY

COLLEGE OF NURSING

Helene Fuld Health Trust National Institute for
Evidence-based Practice in Nursing and Healthcare

This certification is offered to healthcare professionals who work in practice or education and recognizes expertise in evidence-based practice through demonstrated documentation of advanced intensive continuing education in EBP.

Completion of the Evidence-based Practice Certification awards the EBP-C credential for a period of three years.

This is the **ONLY** globally recognized certification in the specialty area of evidence-based practice.

Evidence-based Practice Certification

THE OHIO STATE UNIVERSITY

COLLEGE OF NURSING

Helene Fuld Health Trust National Institute for
Evidence-based Practice in Nursing and Healthcare

Applicants will need to satisfy three components to earn the EBP-C:

- Component 1: Demonstrated completion of EBP coursework (within the last five years)
- Component 2: Demonstrated current status of EBP knowledge through content review and successful testing
- Component 3: Submission of a portfolio for review that shows an EBP practice change project
