

Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare

Scorecard for Key Criteria in Meeting Healthcare's Quintuple Aim

Complete this questionnaire to assess your organization's readiness to achieve the components of the Quintuple Aim in healthcare.

Answer each question with a "Y" for Yes or "N" for No. Score 1 point for each "Y," 0 points for an "N."

1. ___ Improving population health is an organizational priority.
2. ___ You can describe two population health initiatives at your organization.
3. ___ Population health initiatives are measured.
4. ___ Enhancing the patient care experience is an organizational priority.
5. ___ You can describe two patient care experience initiatives at your organization.
6. ___ Enhancing the patient care experience is measured.
7. ___ Reducing healthcare costs is an organizational priority.
8. ___ You can describe two initiatives that reduce healthcare costs at your organization.
9. ___ Initiatives for reducing healthcare costs are measured.
10. ___ Addressing clinician burnout is an organizational priority.
11. ___ You can describe two clinician burnout prevention initiatives at your organization.
12. ___ Clinician burnout and wellness initiatives are measured.
13. ___ Advancing health equity is an organizational priority.
14. ___ You can describe two initiatives that advance health equity in your organization.
15. ___ Health equity initiatives are measured.

TOTAL SCORE: Add all statements receiving a "Y" _____ (maximum score is 15).

If your score is:

< 5: Your organization is not meeting the Quintuple Aim in healthcare.

6-10: Your organization is partially meeting healthcare's Quintuple Aim.

11-15: Your organization is meeting healthcare's Quintuple Aim.
