

Leadership

Bernadette Melnyk
PhD, APRN-CNP, EBP-C,
FAANP, FNAP, FAAN
Executive Director and Founder

Lynn Gallagher-Ford
PhD, RN, EBP-C, DPFNAP, FAAN
*Chief Operating Officer and
Clinical Core Director*

Cindy Zellefrow
DNP, MEd, RN, CSN, EBP-C
Academic Core Director

Sharon Tucker
PhD, APRN-CNS, PMHCNS-BC, NC-
BC, EBP-C, FNAP, FAAN
Implementation Science Core Director

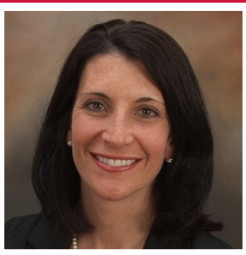

Jacqueline Hoying
PhD, RN, NBC-HWC, FNAP
Community Core Director

Cindy Beckett
PhD, RNC-OB, LCCE,
LSS-BB, CHRC, EBP-C
*Academic Core Assistant Director and
EBP Certification Program Director*

Karey Dufour
DNP, MA, RN, ACNS-BC, CEN,
EBP-C, USAF Col (Ret)
Clinical Core Assistant Director

Molly McNett
PhD, RN, CNRN, FNCS, FAAN
*Implementation Science Core
Assistant Director*

Inga Zadvinskis
PhD, RN, EBP-C
Community Core Assistant Director

Jennifer Dean
DNP, RN, APRN, AGACNP-BC, EBP-C
Clinical Core Assistant Director

Linda Connor
PhD, RN, CPN, EBP-C
*Excellence in EBP and Outcomes in
Healthcare Designation Program Director*

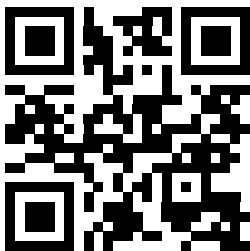

Dónal O'Mathúna
PhD, MA, B.Sc. (Pharm)
Cochrane Affiliate Program Director

The Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare is a national hub for the formation, teaching and dissemination of best practices to improve healthcare quality, safety, equity, costs and patient outcomes. Its cores include transdisciplinary clinical practice, academics, policy, community and EBP implementation science.

Leaders at the Fuld National Institute for EBP believe evidence-based practice is essential to achieving the quintuple aim in healthcare.

Helene Fuld Health Trust National Institute for
Evidence-based Practice in Nursing and Healthcare

Helene Fuld Health Trust National Institute for Evidence-based Practice in Nursing and Healthcare

Our mission is to dream, discover and deliver a healthier world through transdisciplinary education, research and policy focused on evidence-based decision making. We're furthering this mission through the programs and services highlighted in this brochure.

**THE OHIO STATE
UNIVERSITY**
COLLEGE OF NURSING

Programs

Continuing Education (CE) Opportunities

5-day Evidence-based Practice (EBP) Immersion

- Onsite organizational immersion can include an EBP consultation and implementation follow up
- Three specialized tracks to choose from:
 - **Mentor** – intended for individuals who will be working directly with other clinicians and helping them implement the EBP process in daily practice settings
 - **Leadership** – intended for individuals who are in formal/informal or traditional/non-traditional leadership roles who will be working within their organizations to move EBP forward
 - **Academic** – intended for faculty and clinical educators who will be teaching and/or developing EBP courses, as well as integrating EBP throughout curricula in educational programs at all levels
- Immersion Reconnect Webinar Series access

Leading EBP

- A two or three-day program to understand and affect culture change, sustainability and dissemination on an organizational level
- This program crosses all disciplines and levels of leadership
- Offered at the Fuld National Institute for EBP in Columbus, virtually online or as an onsite organizational program
- Available as a stand-alone or add-on to our onsite organizational immersion

Biennial EBP National Summit: Transforming Healthcare Through Evidence-based Practice

- Learn and share best practices on EBP in clinical practice, academic, leadership, policy and community settings with colleagues from across the globe

Teaching EBP in Academic and Clinical Settings

- Strengthen competence in teaching and mentoring learners in EBP
- Develop EBP curricula while promoting enculturation of EBP in educational settings in academia and practice

Introduction to EBP Modular

- This self-paced online program is available for individuals who are interested in enhancing their EBP knowledge, skills and attitudes, as well as organizations that are interested in building, enhancing and sustaining a culture of evidence-based practice

Overcome Barriers to Implement and Sustain EBP

- Introduction to the implementation science field
- Available at our institute in Columbus, virtually online or as a self-paced online program for individuals who are interested in overcoming barriers to implementing EBP initiatives

Systematic Review Workshop

- Learn and practice key skills for conducting a systematic review of intervention studies using Cochrane methodology
- Develop and receive feedback on a protocol for your review topic

Implementation Science Study Designs Online Modular

- Focuses on designs and methods for clinical investigators interested in implementation science research
- Strategies shared for improving success of EBP initiatives and patient outcomes

Implementation Facilitation

- This half-day program provides strategies and tools for implementation and sustainment facilitation, as well as for building and leveraging teams

EBP Certification Review

- This course helps prepare applicants for all aspects of the certification process, from test-taking strategies to portfolio examples and includes monthly Q and A sessions with experts

Practice + Process = Quality (PPQ)

- Process improvement is half of the quality formula; practice improvement (EBP) is the other half and when combined, true quality is the result
- The Practice + Process = Quality (PPQ) Model is the structured framework to guide you through this innovative approach to achieve optimal outcomes

Non-CE Programming

EBP Basics Free Online Course

- Provides a foundational overview of EBP in nursing and health sciences, including the seven steps of the EBP process and research supported strategies for implementing EBP in real world settings
- The course is taught by internationally renowned experts in the field of evidence-based practice

Evidence-based Practice Certification

- The only globally recognized EBP certification
- This certification recognizes demonstrated expertise in EBP and denotes that the successful applicant has completed the required education component

Fuld Webinar Series

- Learn about the latest developments, initiatives and progress in Fuld National Institute for EBP core areas
- Stay abreast of national and local EBP policy activities
- Get the most current information and latest developments in EBP from national studies

Excellence in EBP and Outcomes Designation

- Recognizes hospitals and healthcare systems that have created outstanding interdisciplinary, EBP and outcomes enterprises that meet the Quintuple Aim
- The first national organizational designation for EBP and decision making

Resources

Visit fuld.nursing.osu.edu for our additional programs and services.

EBP Organizational Services

We will help you navigate the challenges of transforming your organization into an evidence-based enterprise regardless of setting, size or EBP competency. Organizations may choose to combine offerings for a customized approach to EBP. Contact us to discuss your needs.

- Organizational EBP Readiness and Implementation Assessments
- Research studies related to EBP and implementation
- Evidence-based Leadership (one-day onsite)
- EBP Competency Integration (one-day onsite)
- Enhancing Academic Practice Partnerships through EBP
- EBP Integration Assessment (course and/or curricular level)
- Implementation Strategies (one-day onsite)
- Assessing Cultural and Behavior Change Barriers and Facilitators
- Implementation Models and Science Opportunities

DNP Postdoctoral Fellowship

To advance healthcare delivery and/or population health outcomes in real-world settings, this one-year, mentored fellowship creates DNP experts around the world who:

- Accelerate the translation of evidence into practice
- Leverage the synergies between EBP, research and quality improvement

EBP HQ

The EBP HQ is a one-of-a-kind resource hub offered to individuals and organizations. This includes:

- EBP and Implementation and Sustainability Toolkits
- Downloadable Interactive EBP Templates
- EBSCO Resources (DynaMed and Nursing Reference Center Plus)
- PICO(T) Helpdesk
- Recorded educational webinars*
- PICO(T) Networking Hub (database of over 1,500 entries)*

A six month complimentary access pass to the EBP HQ is given to those who complete the immersion and is renewable as an individual or organization.

**Exclusive resources made available to immersion participants.*

Funding Opportunities

Take advantage of this funding opportunity to stimulate and advance EBP and implementation science in nursing and healthcare across the United States.

- Receive funding for your EBP Quality Improvement or Research project
- Present your findings at the biennial EBP National Summit
